

# CoopStarter 2.0

## Video

### #ImACoopStarter

#### Video series by young cooperators

The #ImACoopStarter video series aims to collect 10-20 very short videos showcasing existing young cooperative entrepreneurs and their successful businesses. We will show what drives the young European entrepreneurs and why cooperatives are the answer for them. The videos will be later on published on social media.

#### About the project

#CoopStarter 2.0 is an EU project helping young entrepreneurs discover cooperatives and provide them with help through mentorship.

### The content

#### Questions to answer

The self-contained answers should be max. 20 seconds long each.

- 1) Hello, name, country and what is your coop project?
- 2) Why did you choose to start a cooperative?
- 3) What would you tell other young people possibly thinking of starting a cooperative)?
- 4) We want to hear a super happy "I'm a coop starter" with a little printed poster below 😊

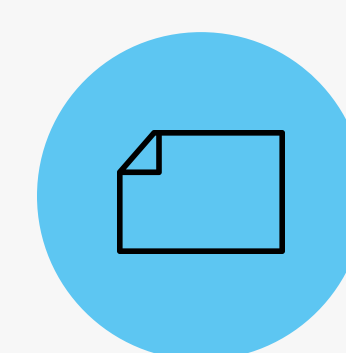

### Requirements

A phone, a camera, a go pro, a drone

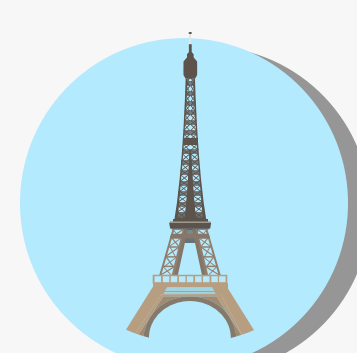

Language: English or another language - in this case please provide timed translation

Please film HORIZONTALLY

Make sure the sound is clear and there's not much noise around

Extra points for awesome location: it can be the work place, the eiffel tower, a rooftop....
